

The Production House SG

Custom Fabrications • Printing Solutions

WHO WE ARE

The Production House SG Pte Ltd (TPH) is known prominently as one of the top turnkey event support specialist. Having a **young and dynamic** workforce, coupled with our modern printing technologies, ensures our ability to provide a fast turnaround time. Our exhaustive scope of services will definitely **bring your ideas to life**.

The most integral ingredient to a successful project is attention to detail. At TPH, we understand how the smallest detail can make a vast difference to your project. Our attention to detail will ensure that **every project is as exclusive** as possible.

Our in-house team of highly talented, innovative and experienced concept creators and visualizers will work conscientiously to unleash their creativity for your projects. By forging a deep understanding of our clients' branding guidelines, promotional goals and their target audience, our team comes up with **novel concepts and modern designs** that connect with the audience for a **lasting impression**.

WHAT WE DO

We offer our clients an **adept project consultation**, idea **conceptualization**, stage set **designing** to **crafting** props and **executing** the production. We would be your ideal one-stop production partner. Our team consists of project consultants, production managers, creative designers and other experts required for a project.

We cater to different kinds of projects, which mainly include –

- Thematic Stage Sets
- Exhibition Booths
- Backdrops & Photowalls
- Custom Props & 3D Letter Props
- Large Format Printing
- Brand Specialist & Content Creation

WHY CHOOSE US

- **One-stop** for fabrication, design and print
- A decade long track record of **successful** projects
- We have **experience, expertise and knowledge** of every aspect of project management
- Assurance of an **optimum level of service** as we follow stringent standards at each stage of project
- We have **dedicated teams** to work on each aspect
- We provide **personalized and customized services** for every event

At TPH, we treat every project as our own. We personally discuss the ideas, to either create new concepts or bring your concepts to life for the stage elements, display props and exhibition booths.

Our work environment and processes are managed efficiently which ensures that we offer **the best quality within deadlines**. We have everything you need to make a project successful, so you can be rest assured your project is in competent hands.

HOW WE WORK

Based on the **concept discussions**, our creative team will come up with the **detailed drawings and 3D mock-ups** for the venue, stage, booth or other props as per requirements. Visualizing the project before executing the production ensures that our clients are involved in each and every step. We are here to **provide a detailed visualization** of the project and promise to execute with the most trending and modern infusions to ensure we are always evolving.

TPH is popular for its **customised creative props** and the range of props we have produced is growing every day. We have an expertise in **carpentry works**. Our production expertise encompasses materials in wood, acrylic and metal. We ensure that they are sturdy, functional without compromising the aesthetics.

We will be **right by your side from the initial concept design, all the way through to the final, finished product.**

IN-HOUSE PRINTING

Choose from a huge range of **print options**. With a host of **finishing styles** like straight edge cuts, custom shapes, laminates, hemming, stitching and eyelets; we can offer you a complete service for **Large Format Printing**.

Our experienced In-house designers are always on hand to assist you In your creatives..

We provide a pre-press service to ensure the highest quality of all artworks. We even offer a nationwide installation service with our own, fully qualified, fully accredited in-house installation teams.

We offer a wide range of display products and prints

- Indoor/outdoor posters
- Roll-up & X-stand Banners
- PVC and Fabric Banners
- Tear-drop Banners & Feather Flags
- Glass/Window/Wall/Floor Stickers
- Back-lit Printing
- Acrylic Light Box
- Foam board Prints/props
- Decals and Labels

Our goal is to make sure your project moves ahead efficiently and without delay; we encourage our customers to consult with our creative team for answers from file-preparation to material-selections to setup-options. We're your print partners for the entire process.
